

Take heart!

Mt 14,27

How does the Corona pandemic change your life? What are the consequences for youth work in your church? And where do you find strength and encouragement?

"Take heart; it is I. Do not be afraid." Jesus said to Peter (Mt 22, 27). This promise also applies to us today.

Together in Christ and in worldwide solidarity, we want to trace this promise in joint prayer and Bible study. We want to exchange ideas about our respective challenges and gain new strength.

We want to believe, love and hope together.

We invite you to a time of worship and Bible study
