

The background is a collage of various graffiti and peace symbols. At the top, there's a name 'INIGO AGUIRRE' and the phrase 'peace, but only'. Below that, a large purple banner contains the date 'Samstag, 16. März / Sábado, 16 de marzo'. To the right, a yellow peace symbol is prominent, with the text 'Living life in peace' and 'A Brotherhood of Man' inside it. Other visible text includes 'DARYA 09', 'KUVITTELE', 'PE', 'COME TOGETHER', 'M&D', and 'LOVE'.
